"As Burford approaches its tenth anniversary, we have unbridled optimism about the future. The industry continues to grow rapidly, due in large part to the pace we set by evolving our products and services to meet the increasingly diverse demands of the users of legal finance. Burford is well positioned to continue to lead the global legal finance industry through the next decade of growth. The Board is grateful for the continued support of our all of our stakeholders."

**Christopher Bogart, Chief Executive Officer of Burford, said:**

“Burford has had a momentous first half, with profits exceeding \$200 million and assets surpassing \$2 billion for the first time. Income from our core litigation investment portfolio was driven by a blend of attractive cash realisations across multiple vintages. Growth in demand for our capital and our capacity to respond with innovative new solutions are the hallmark of our outright industry leadership and reflected in record new investment commitments of \$751 million. We are excited about the outlook for the legal finance market and our unique ability to capture the opportunities we observe.”
