BURFORD CAPITAL DELIVERS 151% GROWTH IN FIRST HALF OPERATING PROFIT
Investment income up 148%

Burford Capital Limited ("Burford" or the "Company"), a leading global finance firm focused on law, announces its financial results for the half year ended 30 June 2017.

Highlights

- Best ever results in Burford's history: 1H 2017 profit exceeds record profit for full year 2016
- Income increased by 130% to \$175.5 million (H1 2016: \$76.2 million), driven by a 148% increase in investment income to \$161.6 million (H1 2016: \$65.3 million)
- 151% increase in operating profit to half-year record of \$155.0 million (H1 2016: \$61.7 million), and 170% increase in profit after tax to \$142.7 million (H1 2016: \$52.8 million)
- Interim dividend of 3.05¢ (H1 2016: 2.67¢) declared, at the rate of one third of total 2016 dividend – an increase of 14% over last year's interim dividend. Interim dividend payable on 15 November 2017 with record date of 20 October 2017
- Strong demand for Burford's capital, with record new commitments to investments of \$488 million (comprising \$226 million from our balance sheet and \$262 million from our investment funds), \$289 million of which already deployed
- Record investment performance underpinned by 11 investments, including largest cash generation from a single investment in our history, the sale of 25% of our ongoing Petersen investment
- Cash generation of \$173.7 million from investments on balance sheet, exceeding every previous half-year period
- Oversubscribed retail bond offering, raising £175 million at a 5% coupon, to further support client demand and future growth
- Gerchen Keller acquisition and integration successful and well-received, first fund starting to generate performance fees. Burford's new investment management business closed largest investment fund ever raised in sector, at \$500 million, to invest in complex strategies

Sir Peter Middleton, Chairman of Burford, commented:

"In just under eight years, Burford has grown from an £80 million startup to become the clear industry leader. In six months, we have committed almost half a billion dollars to new investments. We look forward to continuing to develop our core business while supporting all our clients with a broad range of financial solutions."

Christopher Bogart, Chief Executive Officer of Burford, added:

“Burford has had an exceedingly active first half. Our continued strong growth has been driven by rising client demand as well as our ongoing investment in broadening our product offering and pioneering new markets. As the industry advances, we continue to innovate legal cost and risk management techniques while delivering strong investment returns for shareholders.”
