**BURFORD FOUNDERS NAMED AMONG NATIONAL LAW JOURNAL'S
TOP 50 LEGAL BUSINESS TRAILBLAZERS AND PIONEERS**

Burford Capital ("Burford"), the world's largest provider of investment capital and risk solutions for litigation, is pleased to announce that Burford's co-founders, Chief Executive Officer Christopher Bogart and Chief Investment Officer Jonathan Molot, have been named to the *National Law Journal's* inaugural list of Legal Business Trailblazers & Pioneers.

The list recognizes those individuals who are helping to reshape the ways in which law firms conduct business. Bogart and Molot were honored for their efforts to help bridge the financial gap between clients and their lawyers.

Bogart, the former General Counsel of Time Warner Inc., and Molot, a Georgetown Law Professor, pooled their legal, business and academic expertise to found Burford in 2009, at a time when third-party litigation funding was still a relatively new practice in the United States. Burford has gone on to become the largest provider of litigation finance in the world and has invested close to \$400 million in litigation in the US, the UK, and around the world.
