

## Burford Capital Limited Vice President – Patent Litigation Case Management Chicago

Burford Capital is the leading global finance and asset management firm focused on law. Its businesses include [litigation finance](#) and [risk management](#), [asset recovery](#) and a wide range of legal finance and advisory activities. Burford is publicly traded on the New York Stock Exchange (NYSE: BUR) and the London Stock Exchange (LSE: BUR), and it works with law firms and clients around the world from its principal offices in New York, London, Chicago, Washington, Singapore and Sydney.

The Firm has created a Vice President (or above, commensurate with experience) position on the case management team, which is responsible for monitoring and maximizing the value of our multi-billion dollar portfolio of existing litigation investments. The case manager will manage the substantial portfolio of patent cases in which Burford has invested, including staying informed of and reporting on material developments in our investments; monitoring spend vs. commitment and the life cycle of the case; advising senior management on developments and strategic issues; and working with our counterparties to enhance our chances of a successful investment and case resolution. The case manager will work side-by-side with underwriter case owners who originally underwrote the patent investments in the portfolio, and with case managers for commercial litigation and arbitration investments. This case manager also will work closely with law firms, in-house counsel, and corporate representatives, as well as Burford's global underwriting team.

The case manager will report to a Managing Director of Burford responsible for managing the firm's investments and be based in Burford's Chicago offices.
