### INTENDED PURCHASE OF SHARES BY EMPLOYEE BENEFIT TRUST

Burford Capital Limited, the leading global finance and asset management firm focused on law, today announces that it has requested the Trustee of the Burford Capital Employee Benefit Trust ("EBT") purchase in the market 146,000 of Burford's Ordinary Shares for an expected value of approximately \$1.3 million (based on the closing sale price on the New York Stock Exchange on March 24, 2021) as soon as practicable during the Company's current open period between March 26, 2021 and April 9, 2021.

Purchased shares will be held by the Trustee in the Company's EBT and used to deliver shares to satisfy vested awards made under Burford's Long Term Incentive Plan. The EBT is a discretionary trust for the benefit of the employees of the Company and its subsidiaries.

A further announcement will be made on completion of the share purchase.

### **Forward-looking statements**

This announcement contains "forward-looking statements" within the meaning of Section 21E of the US Securities Exchange Act of 1934 regarding assumptions, expectations, projections, intentions and beliefs about future events. These statements are intended as "forward-looking statements". In some cases, predictive, future-tense or forward-looking words such as "aim", "anticipate", "believe", "continue", "could", "estimate", "expect", "forecast", "guidance", "intend", "may", "plan", "potential", "predict", "projected", "should" or "will" or the negative of such terms or other comparable terminology are intended to identify forward-looking statements, but are not the exclusive means of identifying such statements. In addition, we and our representatives may from time to time make other oral or written statements which are forward-looking statements, including in our periodic reports that we file with the US Securities and Exchange Commission, other information sent to our security holders, and other written materials. By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and are based on numerous assumptions and that our actual results of operations, including our financial condition and liquidity and the development of the industry in which we operate, may differ materially from (and be more negative than) those made in, or suggested by, the forward-looking statements contained in this report. Significant factors that may cause actual results to differ from those we expect include those discussed under "Risk Factors" in our Annual Report on Form 20-F filed with the US Securities and Exchange Commission on March 24, 2021. In addition, even if our results of operations, including our financial condition and liquidity and the development of the industry in which we operate, are consistent with the forward-looking statements contained in this report, those results or developments may not be indicative of results or developments in subsequent periods.

Except as required by law, we undertake no obligation to update or revise the forward-looking statements contained in this report, whether as a result of new information, future events, a change in our views or expectations or otherwise.
