## Indicative Timetable for the Offer

This is an indicative timetable showing one possible outcome for the timing of the Offer based on the dates in the Tender Offer Memorandum. This timetable is subject to change and dates and times may be extended or amended by the Offeror in accordance with the terms of the Offer as described in the Tender Offer Memorandum. Accordingly, the actual timetable may differ significantly from the timetable below.

Events	Times and Dates
Commencement of the Offer	27 May 2021
Expiration Deadline	4.00 p.m. BST on 22 June 2021
Announcement of Results	As soon as reasonably practicable after the Expiration Deadline
Settlement Date	28 June 2021

The Offeror may, in its sole discretion, extend, re-open, amend, waive any condition of and/or terminate the Offer at any time (subject to applicable law and as provided in the Tender Offer Memorandum) and the above times and dates are subject to the right of the Offeror to so extend, re-open, amend, waive any condition of and/or terminate the Offer.

Bondholders are advised to check with any bank, securities broker or other intermediary through which they hold Bonds when such intermediary would need to receive Tender Instructions from a Bondholder in order for that Bondholder to be able to participate in, or (in the limited circumstances in which revocation is permitted) revoke their Tender Instruction to participate in, the Offer by the deadlines set out above. **The deadlines set by any such intermediary and each Clearing System for the submission of Tender Instructions will be earlier than the relevant deadlines set out above and in the Tender Offer Memorandum.**

## Rationale for the Offer

The purpose of the Offer is to utilise a portion of the Group's available cash balances to purchase Bonds prior to their maturity as part of the proactive management of the Group's debt capital structure. The Offer will also provide liquidity to those holders whose Bonds are accepted in the Offer.

The Offeror intends to hold the Bonds that it purchases in Treasury and may in the future arrange for the Issuer to cancel the Bonds or the Offeror may re-sell such Bonds at its absolute discretion.

## Details of the Offer

### ***Purchase Price – Modified Dutch Auction Procedure***

The Offeror will pay for Bonds validly tendered and accepted by it for purchase pursuant to the Offer at a price to be determined pursuant to a modified Dutch auction procedure as described in the Tender Offer Memorandum (the **Modified Dutch Auction Procedure**). Under the Modified Dutch Auction Procedure, the Offeror will determine, in its sole discretion (but subject as set out below under "*Final Acceptance Amount, Priority of Acceptance and Scaling*"), following expiration of the Offer, (A) the Final Acceptance Amount (as defined below) and (B) a single purchase price for the Bonds (the **Purchase Price**), expressed as a percentage of the principal amount of the Bonds, at which it will purchase Bonds validly tendered

pursuant to the Offer, taking into account the aggregate principal amount of Bonds so tendered and the price at which such Bonds are tendered (or deemed to be tendered, as set out below).

The Purchase Price applicable to the Bonds will not be less than 102 per cent. (the **Minimum Purchase Price**) and will otherwise be the lowest price that will allow the Offeror to accept for purchase an aggregate principal amount of Bonds equal to the Final Acceptance Amount. The Purchase Price applicable to the Bonds will not be greater than 105 per cent. (the **Maximum Purchase Price**). Tender Instructions specifying a purchase price in excess of the Maximum Purchase Price will not be accepted by the Offeror and will not be used for the purposes of calculating the Purchase Price. The Offeror will not accept for purchase any Bonds tendered at prices greater than the Purchase Price pursuant to the Offer.

The Offeror will pay the same Purchase Price in relation to all Bonds that it accepts for purchase pursuant to the Offer. For the avoidance of doubt, this means that Bondholders that submit Tender Instructions specifying either (i) the Minimum Purchase Price or (ii) an amount that is greater than the Minimum Purchase Price but less than or equal to the Purchase Price (as determined by the Offeror), will all receive the same Purchase Price in relation to any Bonds that are accepted for purchase pursuant to the Offer.

#### ***Accrued Interest***

The Offeror will, in addition to the Purchase Price also pay interest accrued and unpaid on the Bonds from (and including) the immediately preceding interest payment date for the Bonds to (but excluding) the Settlement Date, calculated in accordance with the terms and conditions of the Bonds (an **Accrued Interest Payment**) in respect of Bonds accepted for purchase pursuant to the Offer.

#### **Final Acceptance Amount, Priority of Acceptance and Scaling**

##### ***Final Acceptance Amount***

The Offeror proposes that the aggregate principal amount of Bonds it will accept for purchase pursuant to the Offer will be an amount to be determined by the Offeror, in its sole and absolute discretion, which is expected to be £40,000,000 in aggregate principal amount of Bonds (such amount, once determined, the **Target Acceptance Amount**), although the Offeror reserves the right, in its sole discretion, to accept less than or more than such amount pursuant to the Offer (the final aggregate principal amount of Bonds accepted for purchase pursuant to the Offer being the **Final Acceptance Amount**).

##### ***Priority of Acceptance and Scaling***

Once the Offeror has determined the Final Acceptance Amount and the Purchase Price for the Bonds, the Offeror will accept Tender Instructions in the following order, subject to possible *pro rata* scaling as described below:

- (i) all validly submitted Tender Instructions that specify purchase prices lower than the Purchase Price will be accepted first; and
- (ii) all validly submitted Tender Instructions that specify purchase prices equal to the Purchase Price will be accepted second.

If the Offeror accepts any Bonds for purchase pursuant to the Offer:

- (i) all Bonds subject to the Tender Instructions described in (i) above will be accepted in full by the Offeror; and

- (ii) to the extent that the aggregate of the Bonds subject to the Tender Instructions described in (i) and (ii) exceed the Final Acceptance Amount, the Bonds subject to the Tender Instructions described in (ii) above will be accepted by the Offeror on a *pro rata* basis by applying a scaling factor, such that the final aggregate principal amount of Bonds accepted for purchase (if any) is no greater than the Final Acceptance Amount.

For the avoidance of doubt, Tender Instructions that specify the Minimum Purchase Price will always be purchased in full at the Purchase Price, unless there are more Tender Instructions received for Bonds at the Minimum Purchase Price than the Final Acceptance Amount. Accordingly, by submitting a Tender Instruction at the Minimum Purchase Price, a Bondholder is automatically electing to receive the Purchase Price.

### **Tender Instructions**

In order to participate in, and be eligible to receive the Purchase Price and Accrued Interest Payment pursuant to, the Offer, Bondholders must validly tender their Bonds by delivering, or arranging to have delivered on their behalf, a valid Tender Instruction that is received by the Tender Agent by 4.00 p.m. (London time) on 22 June 2021, unless extended, re-opened, amended and/or terminated as provided in the Tender Offer Memorandum (the **Expiration Deadline**).

**Tender Instructions will be irrevocable** except in the limited circumstances described in the Tender Offer Memorandum.

Tender Instructions must specify a purchase price that is equal to or greater than the Minimum Purchase Price. Purchase prices may only be specified at the Minimum Purchase Price or in increments of 0.25 per cent. above the Minimum Purchase Price (and, in the event that the relevant Bondholder specifies a purchase price that is not an increment of 0.25 per cent. above the Minimum Purchase Price, the purchase price so specified shall be rounded down to the nearest such increment of 0.25 per cent., and such Tender Instruction shall be deemed to have specified such rounded figure for the purposes of the Modified Dutch Auction Procedure). Tender Instructions may not be submitted which specify a purchase price in excess of the Maximum Purchase Price.

Tender Instructions must be submitted in respect of a minimum principal amount of Bonds of no less than £100, being the minimum denomination of the Bonds, and may be submitted in integral multiples of £100 thereafter. A separate Tender Instruction must be completed on behalf of each beneficial owner. See "*Procedures for Participating in the Offer*" in the Tender Offer Memorandum for further information.
