

Burford Capital Limited
Legal and Compliance Analyst
Chicago or New York City

Burford Capital is the leading global finance and asset management firm focused on law. Its businesses include litigation finance and risk management, asset recovery and a wide range of legal finance and advisory activities. Burford is publicly traded on the New York Stock Exchange (NYSE: BUR) and the London Stock Exchange (LSE: BUR), and it works with law firms and clients around the world from its principal offices in New York, London, Chicago, Washington, Singapore and Sydney.

The Firm has created a position for a Legal and Compliance Analyst who will be tasked with executing functions critical to the registered investment adviser compliance program; its US securities law compliance obligations as a result of its listing on the NYSE; and the maintenance and support of Burford's dynamic group structure and transactions. This includes, but is not limited to, administration of policies including the Code of Ethics; new hire compliance onboarding; Business Continuity Plan (BCP) development and testing; assistance with regulatory filings; employee training and other compliance monitoring activities; legal entity management; preparing responses to due diligence/KYC queries from third parties; and other responsibilities supporting the Firm's growing Legal & Compliance team.

The Legal and Compliance Analyst will be a valued operational/shared services leader in either the Chicago or NYC office and will have a seat at the table with the Legal & Compliance team when setting policy and procedures for the firm. Therefore, it is imperative that this individual trust and exercise his or her own judgment, be professionally discrete, and bring a well-informed opinion and critical eye to regulatory matters as well as a track record of supporting in-house Legal & Compliance teams in meeting their regulatory obligations. The successful candidate will be expected to participate in program development and contribute in a substantive way.

The Legal and Compliance Analyst will be organized, effective and detail oriented. He/she will possess the gravitas, credentials, and experience to be able to study, diagnose, and prescribe value-add solutions that will positively impact the Legal & Compliance team. Given that Burford's business is located at the unique intersection of finance and law, it is an excellent opportunity for a savvy professional seeking an "outside the box" position to enjoy applying his/her ingenuity and creativity to solving challenges as they arise. The role will be based in Burford's Chicago or NYC office.
