BURFORD CAPITAL LIMITED

Notification of transactions by person discharging managerial responsibilities

Burford Capital Limited (“Burford”), the leading global finance and asset management firm focused on law, provides the following notification of transactions by a person discharging managerial responsibilities (a “PDMR”).

On August 24, 2022, Co-Chief Operating Officer Aviva Will used her cash compensation to purchase 5,357 ordinary shares of nil par value of Burford (“Shares”) through the Burford employee deferred compensation plan.

Further details about the Burford employee deferred compensation plan can be found in Burford’s Annual Report on Form 20-F for the year ended December 31, 2021 filed with the US Securities and Exchange Commission on March 29, 2022. In essence, Burford employees may elect to defer cash compensation, without incurring current taxes, into the Burford employee deferred compensation plan, which in turn permits the full amount of such deferred compensation to be allocated to the Shares (or for other investment options). This is a tax-efficient way for employees to continue to accumulate exposure to the Shares.

The Notification of Dealing Forms for the transactions set forth above are included at the end of this announcement.
